

Worksheet: National Identity Questionnaire

1. When was the first time you discovered that what nationality you are makes a difference in the former Yugoslavia?

2. Were there times when you felt superior or inferior because of your nationality?

3. Did you ever wish you were of a different nationality from the former Yugoslavia?

4. Were you ever jealous of another nationality from the former Yugoslavia?

5. Did you ever feel shame or guilt because of your nationality?

6. Were you ever angry with your own side because of the way they spoke about people of a different nationality?

7. How do you feel now about what you are?
